

**Welcoming Campus Innovation Fund – Fall 2017
Funded Projects**

After inviting proposals for the \$1 million Welcoming Campus Innovation Fund, we received a total of fifty-seven proposals from units across campus. These proposals reflected the positive spirit of improvement and success that has driven the Welcoming Campus Initiative from the very beginning.

After careful review, twenty-four proposals were selected as inaugural Welcoming Campus Innovation projects. These projects promise not only to add to the Welcoming Campus Initiative but also to help IUPUI prepare for our 50th Anniversary celebration in 2018-19.

Below is a full list of proposals that includes project title, primary lead, and partners.

Project Title	Primary Lead/Contact	Co-Lead(s)
